Lower church fire alarm system... Sometime over the next month, the lower church will be closed for a week...

due to the need to replace portions of the fire alarm system. One component which must be replaced has a date on it going back to 1937! Obviously, we cannot put off this upgrade to the system and it shows the necessity for regular maintenance and update of our facilities. The cost will be between \$12,000 and \$15,000 depending upon contingencies. During the period of the closure of the lower church, all liturgical activities will be in the upper church.

The Catholic Daughters of the Americas will hold their first meeting of the year on Thursday, September 11th at 7:00 PM in the Presentation School Foundation Community Center in Oak Square. Plans for the year will be discussed.
